This affidavit is in support of a criminal complaint charging Kinzey LIRA (hereinafter referred to as "LIRA") respectively, with the criminal violation set forth. The evidence available to me demonstrates that there is probable cause that LIRA violated Title 18 U.S.C Section 922(q)(2)-Unlawful possession of a firearm in a school zone, on or about May 06, 2025.

Further, the Affiant states as follows:

On May 06, 2025, Edinburg Consolidated Independent School District Police Department (ECISD PD) received a report that Kinzey LIRA was in possession of a firearm while at the Edinburg North High School campus. Responding to that report, ECISD Officers encountered Kinzey LIRA on the school campus and conducted a search of his backpack and discovered a Glock, Model 17, 9mm caliber pistol along with a magazine loaded with ten (10) rounds of 9mm ammunition.

CISD PD Officers conducted a post-Miranda interview of LIRA, during which LIRA admitted to knowingly bringing the firearm to a school zone. LIRA provided a written statement to CISD Officers further admitting being in possession of the firearm while on the school campus. The Edinburg North High School campus is a school zone as defined by 18 U.S.C. 921.

Following the arrest of LIRA, agents with the Bureau of Alcohol, Tobacco, Firearms and Explosives conducted a post-Miranda interview with LIRA. During the interview, LIRA told agents that he purchased the firearm approximately one (1) week ago. LIRA stated that he brought the firearm to school on both Monday, May 05, 2025, and Tuesday, May 06, 2025.

An ATF Interstate Nexus Expert conducted a preliminary examination of the Glock firearm with found in LIRA's possession and determined that it was a firearm that was manufactured outside of the state of Texas and thus had moved in interstate commerce.
